

*the ruling untrue ideologies,
which mislead, brutalize,
and satanize*

¹¹ Without co-workers in the physical world the hierarchy can achieve very little. The distress of mankind in all respects is enormous. The greatest obstacles to evolution are the ruling untrue ideologies, which mislead, brutalize, and satanize mankind, engender the repulsive tendency (hatred), strengthen egoism and mania for possessions that deprive others of the necessities of life. If people lived in harmony with the laws of life, then there would be no want.
