

– *the effort of making
esoterics
comprehensible
for exoterists –*

¹ Esoteric literature is no easily accessible literature. Anyone who thinks the contrary is mistaken. Esoteric authorship – the effort of making esoterics comprehensible for exoterists – is always a difficult task.

[...]

³ It is astonishing how even the most eminent esotericians are unable to find exact terms and express themselves exactly. They use the causal language when writing for mentalists, orientalisms for Westerners, subjectivisms for objectivists. It is about time they learnt how to write comprehensibly....
